

Maritime Signal Flags

When ships were first used on the oceans of the world they needed a system of communication, especially during times of war. Therefore the British Navy created a set of flags which could be used to send and receive messages. See if you can colour in the set of flags below correctly, and then stick them in a sequence to send your name, favourite colour and age to your partner.

A		J		S		A		K		U	
B		K		T		B		L		V	
C		L		U		C		M		W	
D		M		V		D		N		X	
E		N		W		E		O		Y	
F		O		X		F		P		Z	
G		P		Y		G		Q			
H		Q		Z		H		R			
I		R		A		I		S			
						J		T
