

## The Green Cross Code

Cut out the four boxes below, and place them in the correct order.

LISTEN

LOOK

STOP

THINK

Now explain to an adult what the words mean when you cross the road.

Now either create a video advert or a poster, which shows you understand how to cross the road safely. This should be for children who are between 6 and 8. You may wish to share your posters or video adverts with a local beaver colony, or put the posters up in a library or in your school.

As well as knowing how to cross the road safely there are many other ways to cross the road safely. See if you can find out what each of the following look like, what their differences are and whether you have them around the building which you meet in.

Zebra Crossing

Pelican Crossing

Foot bridge

Toucan Crossing

Subway
