## Introduction

This booklet is for you to record the different parts of the Challenge Badges and Chief Scout Silver Award as you achieve them.

As you complete each part, ask your leader to sign off or tick the box. You will then be able to see which bits you still need to complete.

There is room for you to record the Challenge badges you have earned and record the 6 Staged or Activity badges on the back page.

Good luck with achieving your Chief Scout Silver Award, and don't forget to have fun on the way.

### My Personal Challenge Sheet

To achieve your personal challenge badge you, need to complete two challenges. One to be decided by you and one by your leader. You may ask at home for help, for the one you have to decide on.

Once you have your two challenges, write them in the boxes below.

Please record how you have achieved the different challenges set.

*(This may be photographs, written account from an instructor or teacher, diary, etc.)*

## Our World Challenge Award

- Make a list of the services for people in your local area. Find out a bit about them, and visit one if possible.
- Work with people or an organisation from a community. Take the chance to find an issue that your Pack could help with. It should be something that helps people and also helps you grow as a person. Plan and carry out the project with your Pack and others in the community. Then share what you learned from the activity with other people. Talk about how it helped other people and what you will do with the skills and experiences you have gained. Some examples are: to picking up litter in your local park, raising money to help a local hospital, or taking part in a local community event.
- Take part in an act of worship, reflection or celebration.
- Find out about a faith or culture other than your own. You could visit places of worship or ceremony.
- Talk about a time when you did your best.
- Explain how you have kept your Cub Promise and the Law.
- Take part in an activity about the environment.
- Try a game played by Cubs in a different country, and learn their Promise.
- Celebrate a festival from another country. You might make (and eat!) some special food, make something relating to the festival or visit somewhere special.

- show you know what things you need to do to look after your campsite, and that you can put them into practise
- show that you know how to treat mild burns, scalds, cuts or grazes and make a call to the emergency services.
