## Event 5 - Ring in the bucket

In this event the cubs have to put their hands into one bucket at a time, whilst blindfolded.

Whilst they are blindfolded a ring is placed into one of the buckets. The cubs have to feel into the buckets until they find the ring.

Bucket 1 is filled with mashed potato.

Bucket 2 is filled with baked beans and spaghetti.

Bucket 3 is filled with a mixture of tin fruit.

Bucket 4 is filled with custard.

Bucket 5 is filled with jelly and flour. Mix the jelly up as normal, and then add the flour, whilst the mixture is still boiling hot. Mix until mixture goes thick.

**Warning : Hot mixtures need to be made at least 2 hours before event, and checked again before event.**

**Equipment Needed :**

- 5 buckets
- 1 table
- 1 blindfold
- 2 large packets of mashed potato
- 5 packets of red jelly
- 1 packet of flour
- 10 tins of baked beans
- 10 tins of spaghetti

- 2 points If they find the ring in the second bucket.
- 3 points If they find the ring in the first bucket.

## Event 6 - Ball through hoops

## Hitting event

In this event the cubs have to hit a tennis ball through 5 hoops. The hoops need to be spaced out by about a foot each, and need to be about 6 inch across.

The children hit the tennis ball with the hockey stick.

The ground needs to be flat and soft enough to get croquet hoops in.

### Equipment Needed :

- 1 hockey stick
- 1 tennis ball
- 5 hoops to be stuck into the ground.

### Points awarded for :

- 1 point If they get the ball through 1 hoop.
- 2 points If they get the ball through 3 hoops.
- 3 points If they get the ball through 5 hoops.

## Event 7 - Catching sponges

In this event the cubs have to catch wet sponges, whilst keeping their feet in small hoops.

The leader throws the wet sponge from 1 hoop, and whilst keeping their feet in the hoop they have to catch the sponges in the bucket.

The distance between the leader's hoop and the cub's hoops are 2 metres or 7 foot apart.

**Equipment Needed :**

- 6 hoops, which are around 30 cms across, 15 inches.
- 1 large container of water.
- 5 sponges
- 1 bucket.

## Water event

**Points awarded for :**

- 1 point      Awarded if they catch 1 or 2 sponges
- 2 points     Awarded if they catch 3 or 4 sponges
- 3 points     Awarded if they catch 5 sponges.

## Event 8 - Hoopla on cones

## Throwing event

In this event the cubs have to stay behind a line, and throw hoops over five different cones.

The distance between the cone and the line is three metres.

It only counts if they are different cones which are thrown over.

Equipment Needed :

- 5 cones.
- 5 hoops which are 30 cms in size.

Points awarded for :

- 1 point For 1 or 2 different cone
- 2 points For 3 or 4 different cones.
- 3 points For 5 different cones.

## Event 9 - Knocking off cans

In this event the cubs have to knock the cans off the table. Points awarded for the cans which are totally knocked off.

The cans start off by being stacked in a triangle of 10.

They have 3 bean bags to throw to knock them off.

The thrower should stand 3 metres away from the table.

## Throwing event

### Equipment Needed :

- 1 table
- 10 tin cans
- 3 bean bags

### Points awarded for :

- 1 point      Awarded for hitting 2,3,4 and 5 off.
- 2 points     Awarded for hitting 6,7,8 and 9 off.
- 3 points     Awarded for hitting all 10 off.

## Event 10 - Tunnel buckets

## Water event

In this event the cubs have to climb through a tunnel with a bucket of water, with holes in.

The height of the tunnel should be around the height of a cone.

The tunnel could be made with a ground sheet. The groundsheet can also be placed under the tunnel to increase the wetness and stop ground harming children.

Once they get the bucket through the tunnel they tip it into the jug. According to how many buckets it takes to fill the jug, will define the points.

### Equipment Needed :

- 1 large groundsheet
- 6 cones
- 3 sticks
- large container to keep water in
- 1 bucket with holes in
- 1 x 2 litre jug.

### Points awarded for :

- 1 point If it takes 4 or 5 buckets to fill the jug.
- 2 points If it takes 2 or 3 buckets to fill the jug.
- 3 points If it takes 1 bucket to fill the jug.

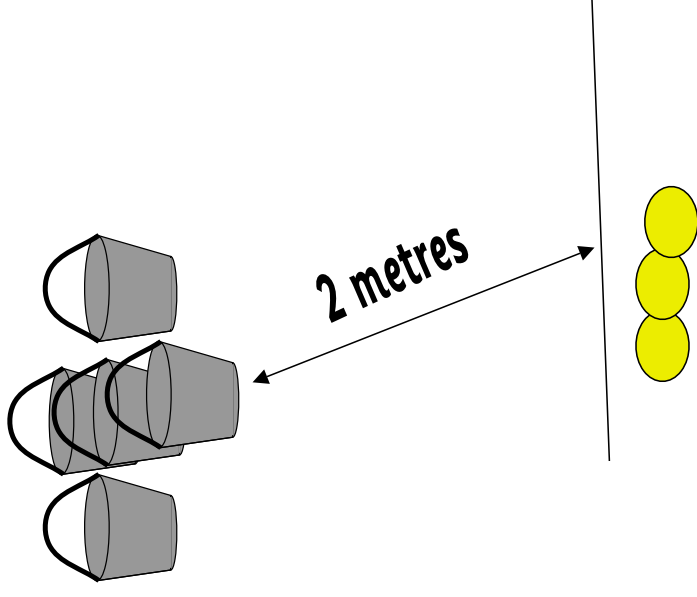

## Event 11 - Throwing balls into buckets

## Throwing event

In this event the cubs have to throw tennis balls into buckets.

The balls need to land in five different buckets.

The line to buckets is 2 metres, or 7 foot.

Equipment Needed :

- 5 buckets
- 3 tennis balls

Points awarded for :

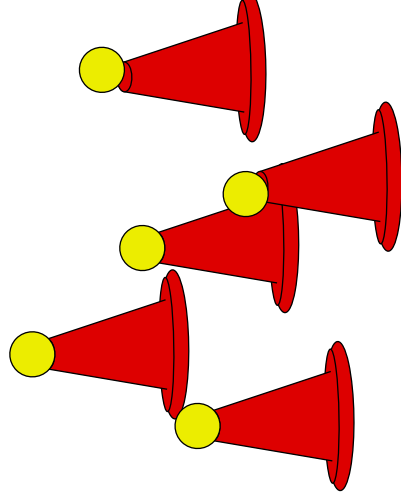

- 1 point for 1 or 2 different buckets
- 2 points for 3 or 4 different buckets
- 3 points for 5 different buckets.

## Event 12 - Knocking off tennis balls

## Throwing event

In this event the cubs have to throw bean bags at the balls on top of cones.

The cones are 2 metres or 7 foot away from the throwing line.

Equipment Needed :

- 5 cones
- 3 bean bags
- 5 tennis balls.

Points awarded for :

- 1 point      Awarded for 1 or 2 balls knocked off
- 2 points     Awarded for 3 or 4 balls knocked off
- 3 points     Awarded for 5 balls knocked off

## Event 13 - Hand printing

In this event the cubs paint their hands and then place them down on a piece of A4 paper.  
They have to fit as many hands as they can on the piece of paper.  
The hand prints are not allowed off the piece of paper, and they are not allowed to touch.

## Mess event - Hands only

### Equipment Needed :

sheets of A4 paper, 5 per a cub  
paintbrush  
container for paint  
paint  
washing up bowl with warm water and soap  
hand towel  
1 table  
newspaper

### Points awarded for :

1 point      Awarded for 1 or 2 hand prints on the paper.  
2 points     Awarded for 3 or 4 hands prints on the paper.  
3 points     Awarded for 5 hand prints on the paper.

## Event 14 - Getting out hoops

## Messy event - feet only

In this event the cubs have to get the small rings out of custard and put them onto a cone.

They keep going until they drop on of the rings.

The only twist is that the cubs have to use their bare feet, and are not allowed to use their hands.

It may be worth to save clearing away putting the metal tin into a black bag before putting in the custard.

### Equipment Needed :

- 1 metal cooking tray - 1 foot by 2 foot by 3 inches high
- 20 cans of custard
- 5 small rings
- 1 cone
- 1 washing up bowl with warm water
- 1 hand towel

### Points awarded for :

- 1 point For 1 or 2 rings
- 2 points For 3 or 4 rings.
- 3 points For 5 rings.

## Event 15 - No Black Jack, then stop.

In this event the cubs have to blindfold themselves, and then the leader puts out 2 fruit salads and 3 Black Jacks facing upwards. The cubs have to take the sweets one at a time from the plates of food, with their mouths.

If they take a fruit salad they stop.

If they take a Black Jack they carry on and take another sweet.
