Global											

## The Bottom Line

Underlying Ways of Working

Have fun	Getting on with others	Activity	Keeping the Promise	Personal development	Working together	Responsibility
○○○	○○○	○○○	○○○	○○○	○○○	○○○

1 tick = Poor 2 ticks = Good 3 ticks = Excellent

Stuart Leacy - Version 2

Using this chart it should be possible to evaluate how balanced your program is over a period of time. Decide for each week, your main activities and put five ticks in the grid above. Then fill in for each week, the bottom line, through looking at the way you aim to deliver your ideas.
