

Making a Chocolate Easter Nest

- Equipment needed :
- 2 Bowls, one of which sits in the other.
 - Kettle with water
 - Wooden spoon
 - Tea spoon
 - Oven gloves

- You will need :
- 2 cups of Cornflakes
 - 12 squares of Chocolate
 - 3 spoons of Golden Syrup
 - 6 Cake cases
 - 18 Small eggs

Instructions :

- 1) Put some boiling water in the bottom bowl, and place the top bowl on top with the broken up chocolate and golden syrup already in.
- 2) Stir the mixture.
- 3) Once the mixture is smooth take the bowl off the boiling water, using oven gloves.
- 4) Add in the cornflakes.
- 5) Stir around until all the cornflakes become covered in the chocolate mixture.
- 6) Take the mixture out of the bowl with the wooden spoon, and scrape off into cases.
- 7) Repeat until all the mixture is split between the cake cases.
- 8) Add the sugary eggs for effect, a couple in each.
